Granville Island

The Public Affairs and Programming team at CMHC-Granville Island regularly updates event listings on Granville Island.com. If you are hosting an event on Granville Island that is open to the public, you are welcome to submit your event listing to Information Services. Please complete the Granville Island Events: Website Listing Submission Form 6-8 weeks before your event, so we have sufficient lead time for translation before posting. The event information will be translated into French as the site is bilingual.
